

## DON'T DELAY!

Book your next hunting or ice fishing trip with us. We have over 30 years of hunting and fishing experience, all in New Hampshire. You are sure to have a safe and memorable experience.

Your knowledgeable and friendly guide will work hard to make sure you have fun and get as close to your quarry as possible. No wild goose chase! Whether you are successful or not you will know that your guide did the absolute best he could.

Whether it's moose, deer, turkeys, lake trout or pan-fish through the ice, we know where to find them.

*"We witnessed the high level of professionalism, hard work, and dedication that Tim and John showed which made our trip a memory that will last a lifetime."*  
Scott Chiglinsky, PA

*"Tim, I had a wonderful time hunting with you these past two days, thank you for making all the pieces come together. Your great guiding and calling abilities really paid off, I'm looking forward to hunting with you again and trying for a bird this fall."*

## Deer, Turkey, & Moose Hunts

Ice Fishing Charters  
Guaranteed Fish!

## YOUR SUCCESS...

## IS OUR SUCCESS!!

## DEER HUNTING

We currently maintain five tree stands in WMUs L & M. The number of stands increases every year. We also have areas where we conduct manned drives when deer are not moving on their own.

We offer fully-guided 1:1 hunts that leave hunters with a 2 – 3 hour mid-day break on their own, and all-day beginner hunts that include a full day in the woods for instruction with informational pamphlets about deer anatomy, game care, hunting tactics, and a bag lunch.

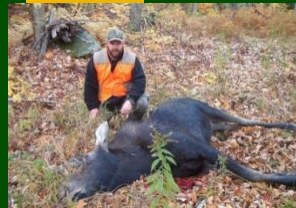

## TURKEY HUNTING

Spring means one thing to us...turkey hunting! We begin scouting in April to locate many different areas. We focus on areas that hold multiple adult birds and low hunting pressure.

We offer fully-guided 1:1 hunts; spring hunts that end at noon and fall shotgun or archery hunts that run all day.

## MOOSE HUNTING

Moose hunting in NH can be a once-in-a-lifetime experience. The season is nine days long in late October. Permits are issued via a random computer lottery.

We have been involved with the NH moose hunt in some capacity since 1997.

We offer fully-guided hunts, semi-guided hunts, and scouting reports state wide.

## ICE FISHING

Ice fishing is a passion of ours. We spend hundreds of hours on the ice every year, usually beginning in December. Tim catches hundreds of fish through the ice each year. Whether it's black crappie, white perch, lake trout, or early season brown trout, you WILL catch fish with us.

We are a full-service outfit. We provide everything except licenses. Trips are eight hours long for two people. We can easily accommodate, and welcome, larger groups.

As always, we guarantee fish or your second trip is free!

## WHY US?

At Seacoast Guide Service we strive to provide the highest quality hunting and fishing trips available. Our 30 plus years of hunting and fishing experience and six years of guiding allow us to locate game and fish in many different areas while providing a professional atmosphere.

We focus on even the smallest detail. We want our clients to have as little to worry about as possible. That's why we try to think of everything prior to every trip. We hunt and fish ourselves, so we know what will make or break a trip. Whether it's lending a missing article of clothing, forgotten ammunition, or providing hand or foot warmers to take the edge off, we try to prepare for every detail. You'll know you hired a professional guide service the minute you contact us.
